

# 2020 Sydney 38 One Design Australian Championships Sydney 38 Trophy Regatta

Pittwater and Broken Bay 15<sup>th</sup> and 16<sup>th</sup> February 2020

## Join Allsail's team on Another Challenge

For 2020 the Sydney 38 National Championships are being held out of the Royal Prince Alfred Yacht Club at Newport. There is a new format this year incorporating a Trophy class to the event which means that our commercial sail training spec Sydney 38 **Another Challenge** can participate – without the strict crew weight, ISAF rating and other restrictions of the One Design class.

**Another Challenge** is a multi-winner of the Sydney 38 Nationals in the hands of past Sydney 38 one design class icon Lou Abrams.

Since joining the Allsail Racing and Sail Training fleet she has had many successes including the RPYC Commodores Cup Division 1 in 2018, Lion Island Series Division 1 in 2017 – and at the RMYC 2<sup>nd</sup> in the top Red Division of the Monday Twilight series for 2017 and 1<sup>st</sup> in 2018 and in December 2019 won the RPYC Trophy Race..

Allsail and **Another Challenge** know the Pittwater/ Broken Bay waters well and we're looking forward to competing in the Sydney 38 Trophy Regatta with the close racing Sydney 38 OD Nationals fleet

**As this is Allsail's first participation at a National level both Allsail and the yacht owner Craig Davies are subsidising the cost of this regatta - offering reduced crew participation rates for Allsail Sailing Club members and those who also are competing with Allsail in the Sydney Harbour Regatta in March or Sail Port Stephens Commodores Cup Regatta in April 2020.**

**This is a special opportunity to crew in a close one design regatta – are you up for the challenge?**

Racing is in Pittwater/Broken Bay and the short offshore Palm Beach circle area – with racing followed on both days by fantastic social fun and presentations at Royal Prince Alfred Yacht Club where **Another Challenge** will be berthed for the regatta. We sail with a maximum crew of 10 - and when the spinnaker action gets hot there's a job for everyone racing closely with other Sydney 38s.

### The program
